Pakistan Initiative Mother & Newborn (PAIMAN)

Objective:

- Increased awareness and to promote positive maternal and neonatal health behaviours around key MNH indicators namely routine EPI with special focus on TT vaccination, ANC, PNC, clean and safe delivery.
- Increase access to the Maternal and Newborn Care through community involvement in maternal and child health services

Description:

The project is designed in a way to involve the Community directly in information dissemination and service delivery. These volunteers will be trained as peer educators to disseminate the information to the other villagers. It is important as linguistic indifference could be a barrier in delivering the information in appropriate manner. Religious leaders and teacher would be the primary targeted volunteers along with notable of village. This project hopefully would put a great impact in the behaviours of and bring about awareness revolution. The project shall cover 8UCs of Taluka Faiz Gunj and Mirwah, with major activities like bringing awareness among the people, mobilize communities to ensure proper functioning of the facilities and monitor them at their level for better and long term sustainability of resources being and have been provided to them which in turn shall enable them to establish a network at community level.

Young Welfare Society (YWS) Sindh

Awareness sessions will be held with Male, Female, Religious Leaders, Notable Teachers Students, Private Health Providers (PHP) and especially Non LHWs area of proposed 8 Union Councils. Through Awareness Session (AS) Celebrations local festivals, especial days and this issue would also be highlighted. TT vaccination coverage will also ensure to 80 %. TBAs would be identified and proper linkages would be built with them. They may be involved in the function of health providing facilities, making functional services of public and private sector health facilities. The project through proper reporting and timely interventions of new efforts and through on the ground realities shall ensure to support and compliment the PAIMAN. More over PAIMAN shall be introduced to the communities and line departments and linkages shall be developed with NGOs and CBOs.
